

Jeff Miller
Alumni Commander
Theta Kappa Chapter

Dear Brothers:

I would like to thank Tony Fair, Bill Geddy, and every alumnus who has been a chapter member and had to plan the Sigma Nu homecoming event and execute at a high level to make the event the best of any fraternity on Greek row for many years. Many sacrifices have been made over the years that have lead to great enjoyment and great stories for many participants and guests. I believe there is an entitlement attitude from alumni – rightfully so – that this event will continue to be the best. We feel like we have “paid forward” the right to continue to enjoy an event of such stature and grandeur. When the event does not meet expectations there is disappointment, confusion, lack of participation, and even anger. We as alumni have the obligation to get this right today for every young man that joins the Theta Kappa chapter and becomes an alumnus in the future.

For this reason, I am proposing a new organization operating under the alumni umbrella entitled the Alumni Social Committee (ASC). The mission of this committee would be as follows: to have completely satisfied alumni/ chapter members/ guests at the lowest total delivered cost with value added activities and with emphasis on risk reduction. The members of the “ASC” would consist of an elected Social Chairman, an alumnus representing each decade (appointed by chairman), the Alumni Commander, an AAB member, a Housing Corporation member, the chapter Lt. Commander, and the chapter Social Chairman

In closing brothers, first - I would like for you to approve the formulation of such a committee and secondly – I would like to nominate Wiles Evans as the ASC chairman.

Thank for your time and allowing me to express my views!

Fraternally,

Larry Sands – Theta Kappa 325
